Surprisingly, not yet. I've re-emailed him and hope to have more info later today (he's normally pretty good at getting back to me).

Hi Joe-

I received a summons from Springfield District Court yesterday for April 6th, the same day as the [REDACTED] trial. The Springfield case was supposed to be disposed of back in July, so I don't know what happened (though I do know what didn't happen :) That case is back from 2007, but it is only marijuana (less than an ounce, though possibly distribution), so I have no idea if it is going to go. I've emailed the ADA there to try to get a better grasp of what is going on. Just thought I'd let you know that I may have a conflict and I'll keep you informed of what's going on.

Hi Sonja,

I have the [REDACTED] case for the 6<sup>th</sup>. Unfortunately it is still on for trial. I will work around your schedule and make sure you are one of my first witnesses for that day so you don't miss your appointment. I don't anticipate a problem, but if something changes, I'll let you know as soon as I know. Jedd Hall has been assigned the [REDACTED] case, I have cc'd him on this e-mail.

Thanks for everything.

Joe

Hi Joe-

I've got two cases (both with you, I think) in Pittsfield on 4/6/11 and 4/7/11, and am wondering if it would be a problem to, if I actually am needed to testify, make sure that I get on and off the stand before the lunch break (1pm-ish) as I have a doctor's appt. on 4/6 at 4:15 in Northampton and another one on 4/7 at 3:45 in Amherst? If this will be a problem, please let me know and I'll reschedule one or both of them. Thanks.

cases in question: 4/6/11 Commonwealth v. [REDACTED]  
4/7/11 Commonwealth v. [REDACTED]
